## Notice to Contractors

Electronic copies of the letting proposals and plans are available on the KDOT website at <https://kdotapp.ksdot.org/Proposal/Proposal.aspx>. The website will allow the contractor to request approval from KDOT to bid as a prime contractor and be included on the "Bid Holders List," or to be included on the "NonBid Holders List" as a subcontractor/supplier. KDOT's approval is required to bid as a prime contractor. To bid as a prime contractor, KDOT needs to be notified of the intent to bid no later than the close of business on the Monday preceding the scheduled letting date. Failure to obtain prior approval to bid as a prime contractor on any projects listed below will be reason to reject your bid. The secretary reserves the right to reject bids that do not comply with all requirements for preparing a bidding proposal as specified in the 2015 edition of the Kansas Department of Transportation *Standard Specifications for State Road and Bridge Construction*.

KDOT will only accept electronic internet proposals using the Bid Express website at <http://www.bidx.com> until 1:00 p.m. local time August 23, 2017. KDOT will open and read these proposals at the Eisenhower State

This certification shall be in the form of a required contract provision provided by the state to each prospective bidder. Failure to complete the required contract provision and certify the completeness of the preceding statement when electronically signing the proposal will make the bid non-responsive and not eligible for award consideration.

**Notice of Application to Expand a Construction and Demolition Landfill**

The Kansas Department of Health and Environment (KDHE) has received an application to expand the G&G Dozer Company, LLC construction and demolition (C&D) landfill. The permit modification will increase that landfill's permitted disposal capacity from 68,950 cubic yards to 299,780 cubic yards within the landfill's originally permitted 8.0-acre disposal area. The proposed landfill expansion would be constructed and operated in conformance with state solid waste regulations and accept only C&D waste as defined by Kansas Statutes. The proposed landfill expansion site is located at 1875 Highway 75 about 1¼ miles north of Caney, Kansas in the NE¼ of Section 36, in Township 34 South, Range 13 East in Montgomery County.

The Montgomery County Commissioners have previously certified that the landfill is consistent with the county's solid waste management plan and local land use restrictions or zoning. KDHE has reviewed the application and found it to be in conformance with the state solid waste statutes and regulations.

*(continued)*

KDHE is providing public notice of the intent to approve the proposed landfill expansion. However, a final decision to approve the expansion has not been made, and KDHE will consider information gathered during the public comment period before making a final decision. A copy of the administrative record which includes the permit application, engineering drawings, draft permit, and other information with respect to this permit action will be available for public review from August 3, 2017 through September 4, 2017 during normal business hours at the following locations:
